

Thank you so very much for the iPad. Jonah loved it. It helps Chemo days go so much faster.

Love,

Jonah

Dear Cancer Assistance Foundation,

Thank you, so very, very much for your help. My son and I have been without so much for weeks. I was very grateful for the \$1500 rent check and the \$200.00 gift card for household expenses. I am a 53 yr old single mother and worked a dead end job for years with no benefits, and was diagnosed with invasive carcinoma breast cancer three months ago. I have had to obtain insurance to get treatment and surgery. I haven't been able to work for weeks. When I received your gift, I was very overwhelmed to know that someone cared. The assistance relieved me of a lot of stress. I wanted to send a picture of myself, but the only pictures available were on cell phones. I just wanted to tell you all how very, very thankful and grateful I am of all your help. God bless you all.

Thank you for this generous gift. I have Stage IV MBC and at times is very difficult to eat healthy and to buy myself vitamins to try to help myself feel better. This gift has done just that and more – thank you for all you do to help the cancer community.

God Bless,

Lisa

At times like this

your comfort and support

mean more

than words can say.

Dear,

National Assistance Foundation Inc. Your gift couldn't have come at a better time. I'm in my second battle with breast cancer and also is BRAC 2 positive. The first time in my right breasts,

which I had a lumpectomy. Then about seven or eight months later I had a hysterectomy. So after moving back to Atlanta from Detroit in June, soon after I discovered a lump in my left breast. I had a bilateral mastectomy. So this is why I am so grateful for your assistance. Thank you so much for helping in this way that you do. You are really appreciate.

Thank again,

Mahogany

Just a note to say a "BIG" Thank You! I'm a breast cancer survivor with two teenage daughters and I am in a dire financial situation. I work but I just can't make ends meet. The money y'all sent has been a Great help! Thank you so much!
